An insurance company can do this, they frequently do. Because the state has this technicality, the worker is not allowed to receive this payment, it's outlawed. This would allow that a doctor could wait a year to see if the injury has any complications and still receive compensation from the state.

It also provides that the listing doesn't have to be made, of 5 to 6 thousand names, reporting to the Legislature of the payments made. This would list them by agencies and the amounts.

I move that this bill be introduced.

PRESIDENT: Is there any further discussion? Senator Maresh, have you furnished a statement of the bill's intent? Alright, thank you. The question is shall the bill be introduced. Record your vote. Have you all voted? Record.

CLERK: 31 ayes, 0 nays on the motion to introduce.

Read title to LB 970.

Mr. President, we have engrossed LR 112, 113 and 114 which are ready for your signature.

PRESIDENT: While the Legislature is in session and capable of transacting business I propose to sign and do hereby sign LR 112, LR 113 and LR 114.

CLERK: Mr. President, Senator Dworak asked to be excused at 9:45.

PRESIDENT: No objection? So ordered ... leave granted.

Your agenda, and the board up here, shows 383 first. There is some feeling in this membership that if we commence with the second bill, 175, we might be able to move or not move a series of bills here in rather short order and then come back to 383. If there's no objection to doing that we'll simply proceed in that fashion. If there is an objection to it we'll proceed with 383. Could you indicate by a showing of.... Is there an objection to this procedure? We'll commence with LB 175, Mr. Clerk.

CLERK: Mr. President, there are E & R amendments for 175.

PRESIDENT: Senator Dworak.

CLERK: The amendments are found on page 325.

SENATOR DWORAK: On what bill is this?

CLERK: 175, all of Select File. It's page 325.

SENATOR DWORAK: Mr. President, I move the adoption of the E & R amendments to LB 175. Mr. President.

PRESIDENT: I'm sorry. I do apologize, Senator Dworak.

SENATOR DWORAK: Good morning!
